

Couples for Christ (CFC)

A Private International Association of the Faithful of Pontifical Right, CFC helps couples grow in their relationship with God, build Christ-centered families, and live out their vocation as disciples of Jesus Christ.

Guided by the vision of “**Families in the Holy Spirit Renewing the Face of the Earth**,” CFC forms men and women who are committed to God, to one another, and to the mission of evangelization. Through prayer, fellowship, formation, and service, members strive to build strong families grounded in Christian values and become instruments of God's love in their homes, communities, and the wider world.

At the heart of CFC life is the **Household**, a small group of three to seven couples who meet regularly for prayer, sharing, encouragement, and fellowship. Members also participate in ongoing formation programs, retreats, conferences, and teachings designed to deepen their faith and equip them for Christian leadership and service.

One Mission: Building the Church of the Home, Building the Church of the Poor.

One Vision: Families in the Holy Spirit Renewing the Face of the Earth.

Join us as we grow together in faith, strengthen our families, and bring Christ's love to the world.
