

7th Grade Curriculum Summary

7th grade Faith Formation at Home addresses each line of the Creed, the basic summary statement of Christian belief. The Catholic Vision of Love sections address Christian dating and the concept of chastity for guys and for girls. The outline of the video titles are below. We encourage parents to watch these videos ahead of time or with your child so that you can discuss the videos with them.

There are Parent, Participant, and Leader guides under each video session on Formed.org that includes discussion questions, Bible verses, quotes, etc. that you can use to help facilitate discussion with your child. You do not have to use these discussion resources, but they may be helpful.

Catholic Experiences

Because we feel strongly that faith is learned in part through experiences, we recommend that students complete one **Catholic Experience** each month over the course of the year. The goal is to connect our young people with their parish community and the broader Church. Catholic Experiences are things like being an altar server, attending a special liturgy (Ash Wednesday, Holy Week, Confirmation, First Communion, Divine Mercy, etc.), going to a weekday Mass, going to Confession, spending time in Adoration, volunteering in Faith Formation, etc.
