

Ministry Minute

JUNE

Devoted to the Sacred Heart of Jesus

CORPUS CHRISTI

The weekend of June 22 is Corpus Christi. We will be hosting Eucharistic Processions at all three of our churches that Sunday. St. Gregory's procession will be after the 10am mass, Holy Redeemer after the 11am and St. Ferdinand after the noon mass. You are cordially invited to walk with us as we bring Jesus, truly present in the Eucharist, into the world that He loves. Hope to see you then!

MINISTRY EMAILS

Most of the ministry emails have been distributed. I still need to sit down with a few of you. If you are having any trouble at all please reach out. I will be happy to problem solve. You will see these emails being used more frequently as we get used to them. The email comes with a Microsoft Suite of programs for your ministry; Word, Calendar, Excel, etc. Please let me know if you would like to set up a meeting time and I will show you everything that is available with your new Divine Grace email account!

CORPORAL WORKS

A big thank you to those ministries taking the time this summer to prepare bags for the homeless and those displaced by violence in our communities. The Police department is grateful for the resource and help. If any other ministry would like to join in on this corporal work of mercy send me an email or refer to last month's ministry newsletter for the details.

Always feel free to contact me with questions/concerns

NEW STAFF ROLES

We want to congratulate and thank Bonnie Connell for her many years of service and wish her a blessed retirement! Bonnie works out of the St. Ferdinand office and has been instrumental in supporting many of the ministries. Her last day is June 26th and we wish her well.

We welcome Hannah Repasky in her part-time position with us as she expands our reach to the youth in Ellwood City.

Alena Kucan will be moving out of communications and into a supportive role for ministries, liturgy and formation. We welcome her to this role!

Bob Dewitt is our Director of Communications and has hired a part time person to produce the bulletin. Therefore, all things bulletin should still go to Bob with me cc'd. There are likely to be new guidelines for bulletin submission due to this change. I will keep you posted!
