

# MINISTRY MINUTE

## DECEMBER

### THANK YOU

Thank you to all of the ministries that have turned in the Works of Mercy form. These will be presented to the Bishop when he visits our Parish in the New Year. If you have not done so, we would love to include your ministry! The document is attached to complete and send back to me.

### CARD READER

The Parish has secured a card reader and a tablet for ministry use. We are working out the kinks and have a couple of ministries lined up to use it in the new year. It is an easy way to accept credit card payments when your ministry is hosting a fundraiser. Keep this in mind for any upcoming sales or fundraisers you may be planning.

### REFRIGERATORS

Oldenski Hall, the Blue Room and the Catholic Center are available for the use of all of our ministries and organizations. We are having some trouble with food and alcohol being left behind in the refrigerators. With the increase in Youth programming and general use, we are asking that all leftovers and alcohol be removed by Tuesday, 12/9. After that date, anything not labeled will be disposed of. Thank you!

*MERRY CHRISTMAS!*

### 93 MINISTRIES

We now have 93 active ministries and organizations at Divine Grace Parish. The Ministry Booklet is being updated and will be republished in the new year. The communications department is also going to focus on the web in the new year. Therefore, please review the information and if you have not yet, let me know if you would like any changes made. Thank you for spreading the good news through your ministry!

### DETAILS, DETAILS

A few details to keep you in the loop!

- ♦ I work out of all three offices each week. I am available in all of our communities so never hesitate to reach out.
- ♦ Do you need an easier password for your ministry email? Let me know and I can get it changed for you.
- ♦ The second collection at all three of our churches is now taking place immediately after the first collection in order to allow for more reverent prayer after communion.
- ♦ The hearing loop at Saint Ferdinand and Holy Redeemer is now fully functional. If you know of someone in need of hearing support during Mass at these two locations, please have them check with an usher on how this system can help!
- ♦ Having trouble finding the MSP (ministry scheduler) link? A button can be found right on the home page of our website. Click [here](#) to see it. Then scroll down to find the button.

Always feel free to contact me with questions/concerns
