MISSION STATEMENT OF THE PARISH OF ST. ANTHONY

We are a Catholic community of faith in the Jesuit tradition gathered around Jesus Christ and centered in the Eucharist.

In a diverse and changing world we struggle to grow in our relationship with God and with one another.

El Papa Francisco denuncia que una de las causas del hambre es la falta de compasión:

Pidió a los miembros de la Organización de las Naciones Unidas para la Alimentación y la Agricultura (FAO) seguir trabajando conjuntamente para erradicar el hambre, e indicó que una de las causas de este flagelo es la falta de compasión. Reconoció que el objetivo “Hambre Cero” en el mundo “es todavía un gran desafío, aun cuando se debe reconocer que en los últimos decenios se ha visto un gran avance”. “Para combatir la falta de alimento y de acceso al agua potable, es necesario actuar sobre las causas que las provocan. En el origen de este drama se halla sobre todo la falta de compasión, el desinterés de muchos y una escasa voluntad social y política a la hora de responder a las obligaciones internacionales”. La falta de alimento y agua “no es un asunto interno y exclusivo de los países más pobres”, sino que concierne a cada ser humano. “Todos estamos llamados a escuchar el grito desesperado de nuestros hermanos y a poner los medios para que puedan vivir, viendo respetados sus derechos más básicos. Uno de los medios que está a nuestro alcance es la reducción del derroche de alimentos y de agua; para ello la educación y la sensibilización social es una inversión tanto a corto como a largo plazo; pues las nuevas generaciones pasarán este testigo a las futuras, sabiendo que este drama social no puede ser tolerado por más tiempo”. Destacó el problema migratorio y su conexión con la inseguridad alimentaria. Explicó que el aumento del número de refugiados ha provocado una problemática mundial que debe ser atendida. Y recomendó “promover un desarrollo agrícola en las regiones más vulnerables”, tanto “invirtiendo y desarrollando tecnologías” como “ideando políticas innovadoras y solidarias para el desarrollo”.

JOAN M. McGOVERN

During a 30 year career in a major global financial institution, Joan's spirit was awakened to attend to the spiritual needs of others. She felt called to integrate her faith more directly into her career life. Through much discernment, she developed the program "Workplace Spirituality" which has been shared with corporate and non-profit organizations. In parallel with this endeavor, Joan continued to participate with the Jesuit Collaborative – Contemplative Leaders in Action program. Several years ago, Joan transitioned from the financial industry and currently ministers full time to others by providing days of prayer, directed retreats, spiritual direction, the 19th Annotation and continues to meet with the young adults who are focused on sustaining their faith within their career journey. In addition, Joan is pursuing a Master's degree in Theology at St. Joseph's College and Seminary.

THERESE OF LISIEUX AND IGNATIUS LOYOLA **IN CONVERSATION ON PRAYER IN THE CHALLENGES OF DAILY LIVING**

As we all well know life is a journey. We come from the heart and mind of the mystery of God, are born into this world to know, love, praise and serve God and return to the heart of God in eternal life. It is that middle phase that makes and breaks us, wounds and hurts us, is full of joy and sorrow but nevertheless enables us to love and be loved and with God's grace to grow and flourish.

We will meet at Tabor House at
7:30 – 8:30 on four consecutive
Monday evenings:

July 8th, 15th, 22nd, and 29th

Session 1

Early life and family influences

Session 2

The impact of trauma opening
to conversion

Session 3

The Little Way and the
Spiritual Exercises

Session 4

Heartfelt knowing of Thérèse and
Ignatius through their prayers

This four-session retreat in daily life will be an opportunity to become familiar with how St. Thérèse of the Child Jesus and the Holy Face and Saint Ignatius Loyola were transformed by grace in facing the painful challenges they were confronted with in their lives. The Church holds them out to us so we can learn from them about what is possible in and through prayer. We will have an overview of their lives, family influences, major crises of faith and the challenges they necessarily had to deal with over the course of their spiritual development. We will tease out the "takeaways" they have for us now and imagine what might they might say to one another about the life of prayer, service and relationship with God. During each meeting we will open with prayer and music, have a presentation on the theme and end with prayer in the spirit of Thérèse and Ignatius. There will be handouts with suggestions for prayer and reading.

The presenter for this program is **Bob Giugliano, PhD** clinical psychologist and spiritual director trained in the Spiritual Exercises of Ignatius.

Please RSVP to Karen ksuero@jesuits.org / 516.675.4012
