

St. Andrew the Apostle

Faith Formation

2022-2023

Program Registration Information

Recognizing parents as the primary catechists for their family/children, St. Andrew the Apostle Faith Formation office strives to work alongside the parents to share the truths and joys of the Catholic faith with their family. Below you will find the details about our program (1st Grade and above) and how to enroll your family in the St. Andrew the Apostle Faith Formation program.

Please review the information below, ask any questions you might have and then enroll your family in our program for a great year of learning and growing in Christ. Be blessed!

We are happy to say that our plan, at this moment in time, is to return to a program that is fully IN PERSON. You will see from the calendar on the reverse side that some months we will have only one class and other months as many as three. Please review this calendar and mark all dates on your family calendar to avoid missing sessions which could result in an incomplete season.

WHEN WILL YOU ATTEND?

Each child must be enrolled in class for a particular day of the week and will be attending only on that day (per calendar):

Monday : 5:30 - 6:45 P.M.

Tuesday : 5:30 - 6:45 P.M.

Assigned on a first come, first serve basis.

Parents of **EVERY** child in our program **must complete BOTH IN PERSON Parent Faith Enrichment sessions** which are offered to support them in their role as primary catechist of their family. These sessions will be available in English and Spanish. We are also excited to be adding two '**Pack the Pew**' dates to our calendar. We, as Faith Formation Families, are a community within our community - what better way to be one than with the celebration of Mass. (More details to come in the Fall).

Parents and children in their second year of our program and **preparing for a Sacrament** will **have additional attendance requirements**. The Faith Formation Calendar contains these requirements. (See Calendar) All dates are set but times for these special gatherings are still to be determined based upon enrollment numbers and safety concerns.
