A MESSAGE FROM YOUR PARISH PRIESTS

As we are well aware, during the past several weeks, we have quickly seen the spread of the COVID-19 virus. Our parish and our Diocese have responded promptly to this ever changing situation by implementing the recommendations from public health professionals. These are actions for our safety, even though it is difficult for all of us not to be able carry out our everyday routines, especially on the weekends, when we gather in Church for the most special prayer that we have, the Holy Sacrifice of the Mass.

Although the doors to our Parish are closed, we want you to know that our Parish is still very much alive and functioning. We are reaching out to you in various ways, through Facebook, our parish website (www.stjosephmech.org), MyParishApp, livestreaming and videotaping Masses and other devotions, as well as frequent video messages.

We have a number of staff and volunteers reaching out to our elderly and homebound, via telephone and email.

- ◆ Here is some of the activity that has been happening with this outreach:
- ◆ There are 74 volunteers assisting at this time with our phone / email outreach.
- ◆ We have had a number of requests for bulletins, various inquiries about on-line giving and where to send collection envelopes, requests for prayer and notification of hospital admission, and address updates.
- ◆ All those who have been contacted, have expressed their appreciation for these outreach efforts. We have so many wonderful parishioners who want to be of service.

Unfortunately, there are some news reports of scam phone calls these days. Be assured that no volunteer from our parish is calling you about your finances. We are simply reaching out, and in a special way to our elderly parishioners who may not have family in the area, just to see how you are doing.

We keep you in our prayers every day. Now, even though our obligation to attend Mass has been dispensed, we are not dispensed from keeping holy the Sabbath. One way to do this, is to be with us in spirit, during our online Masses and to make a Spiritual Communion, after the Priest has received Holy Communion.

As you know, the Mission of Saint Joseph Parish is to foster the presence of Christ, as did Saint Joseph, and to grow disciples for the Lord Jesus.

Our Mission will continue to the best of our ability during these times. But in order to continue our work, we need your continued support. We ask you first and foremost for your spiritual support. Please pray for our Parish, our Diocese and our Country. We also ask for your continued financial support, within your current capability to do so. Without your gifts, our Parish will struggle to continue our most basic functions. Yes, these times are challenging, and we are humbled and most grateful as you continue your financial support to our wonderful Parish so that we may continue our vital Mission.

Gifts can be made by mailing your check to the Parish, or through using WeShare online giving. If you haven't already signed up for online giving, or you would like to increase your offering, please check our website, send an email, or leave a message for our financial manager, David Maceiko, (717-766-9433 ext. 106) or any of us at the parish office. We are most grateful for your continued support at this most difficult time in the life of the Church.

Thank you for your continued support of Saint Joseph's. May God keep all us safe and healthy, so that we can all continue to carry out our Mission as a family of faith.

God bless you!
Father Rozman and Father Sahd

Staying

In these days of social distancing, we need to know that we are still connected to our Church family. With that in mind, we have enlisted over 70 volunteers to call parishioners during the "stay at home" order. The majority of the calls are being made to those age 70+ and the homebound. The calls are intended to provide fellowship and to offer prayer.

So far the recipients have been very appreciative of this friendly outreach. And the volunteers are so happy to be able to "foster the presence of Christ" in this concrete way!

Rest assured, our volunteers will never ask you for financial information or anything like that, so you'll know it's not a scam. It's just your family of faith checking in to let you know you are cared for!
