FIRST COMMUNION PARENT WORKSHOPS: Eucharistic Revival within REP

This past year in our Religious Education Program (REP) we tried something new. Recognizing that mom & dad have the most impact on their kids' faith formation, we offered workshops to inform and inspire parents to support their children receiving 1st Holy Communion. The vast majority of parents finished the workshop feeling highly satisfied with the experience. Almost everyone in attendance said they:

- learned something new about the Eucharist,
- were inspired to take action in their faith, and
- felt better equipped to answer their children's questions.

Below you'll find highlights from these workshops. It's likely we can all find something here to inform, inspire & equip us!

GOD IS WITH US

When is the last time you sat down to enjoy a meal with your family or close friends—not just to eat food in close proximity to each other, but to bask in each other's presence and grow in love for one another? For most of us, this doesn't happen at a typical meal. But this is the kind of meal God wants to share with us. This is the kind of meal he has prepared for us and invites us to participate in through the Sacrament of the Eucharist.

THE STORY

God is the Master Storyteller. He authors His great love story not only with words, but with deeds:

- From the Creation stories of Genesis we learn that humankind was created for intimate communion with God and was destined for eternal life.
- To save the Israelites from slavery and death in Egypt, God institutes the feast of Passover with its sacrifice of a lamb without blemish, whose blood designates God's chosen for salvation, and whose flesh becomes part of a special, sacred meal.
- To sustain his people in the wilderness, God provides manna, miraculous bread from Heaven.

All of God's mighty deeds throughout history make up one beautiful narrative of salvation, which culminates in Christ's Passion, Death, Resurrection and Ascension: the Paschal Mystery. Jesus's teachings and actions throughout his ministry prepare for the moment he offers himself for, and to, each of us, fulfilling his promise that "My flesh is food indeed, and my blood is drink indeed" (John 6:55).

FOOD FOR THE JOURNEY

Food is one of our most basic needs. We can't live for long without it, and when we are in need of it, our bodies let us know with a hunger that can be nearly impossible to ignore. As indispensable as material food is to our physical life, the Eucharist is even more vital to our spiritual life. We need the Eucharist even more than the Israelites needed the manna God sent them in the desert. The Eucharist sustains and strengthens us for our life's journey. It is, as Monsignor Ronald Knox once said, "the day's food for the day's march."

The program used for these workshops is called "Presence". It consists of 3 engaging videos, and it's available to all parishioners on FORMED. Visit stjosephmech.org/formed for instructions on accessing FORMED.

QUESTIONS? FEEDBACK?

Contact Becky at familyministries@stjosephmech.org, Mark at cre@stjosephmech.org or the Parish Advisory Council at pac@stjosephmech.org.

The Mechanicsburg Lions Club enlisted the help of our fifth grade students to decide which two organizations would receive charitable donations from the club's "Giving from the Heart" program. Our students chose Project Share and The Ronald McDonald House. Representatives from the Lions Club met with the fifth grade students to discuss the work the club does to benefit others and to discuss the project in which our students were involved. Shown are the Lions Club representatives with students receiving certificates of appreciation on behalf of their fellow classmates.

The fifth grade also did a great job with the "Caitlin's Smiles" craft assembly on one of the last days of school. Thank you to the fifth grade parents who donated to this fifth grade outreach project! Caitlin's Smiles delivers arts and crafts activities to children in medical facilities.

Our Extended Day Program has a **part time opening** for a caregiver 2-3 afternoons per week from 2:15 PM to 5:30 PM. Responsibilities include playing with and helping children, assisting children with homework, helping to serve snack, cleaning up after snack, and other duties as assigned. Candidates must be able to pass a background check in accordance with The Diocese of Harrisburg policy. If you are interested in earning extra income, while performing a very rewarding service, please contact Linda Schneider at lschneider@stjoesmech.org.

SUMMER OFFICE HOURS: Trinity's summer office hours will be Monday through Thursday, from 8:00 AM to 2:00 PM. The office will be closed on Fridays and from July 3 to 7.
