

Uniform DOs

Photos here are of uniform items that ARE permitted:

Any tennis shoes will continue to be permitted as part of the summer dress code (August - October 31 and April 1-June).

In consideration of the safety of students playing at recess, we have determined that some styles of tennis shoes would be permitted during the winter dress-code season (November 1 - March 31). These examples give you an idea of what is acceptable.

Sneakers that are plain tan, gray, black, brown or white with NO stripes/designs or secondary-color emblems/insignias will be permitted year round or for the winter dress code. These are all examples of boys', girls', or unisex shoes that can be purchased at places like Target or The Children's Place or Journeys Kids, etc. Many of them are between \$20 and \$30
