Dear Cathedral Family,

I feel so blessed to be a part of this amazing community. I am heartened by the way everyone at Cathedral – our faculty, staff, trustees, students, parents, alumnae and friends – have come together in this unsettling year.

In the face of so many challenges, Cathedral is thriving. Enrollment for the 2020-2021 school year has increased by 8% and we now have 496 students. On September 8th we began classes with blended learning. This month approximately 35% of Cathedral students chose to attend in-person two days a week and remotely three days. The remainder of students are engaged in remote learning 5 days/week.

We are abiding by our daily school schedule and the fall events calendar – Ring Day, Class Pictures, Open House (virtual and in-person), the White Coat Ceremony, Costume Day, et al. – as much as we are able. I am proud to announce the launching of our Principal’s Council with seven charter members including distinguished alumnae and wonderful friends who are offering their guidance and support to me in this unprecedented time.

On September 23rd, we kicked off 100 DAYS/$100k, a campaign to raise $100,000 by December 31st. This critical initiative will help us provide additional financial support this year to over 85% of our students and their families. In seeking widespread participation from the Cathedral community, I have asked our entire faculty and staff to make a contribution of any amount, and I hope that you will, too!

Your support is ever more important now and I thank you in advance. Please consider making a gift to the 100 days campaign and, when planning your future, I’d be honored to have you join the Sr. Mary Raymond Legacy Society. Our long history, tradition, and culture of Cathedral alumnae giving back to their beloved alma mater is especially palpable this year.

Please enjoy a wonderful and safe holiday season with your beloveds and know that you are in my heart and prayers.

With gratitude,

Maria Spagnuolo
Principal
Together, you, as the next generation of adults, are the heroes that will rebuild and reimagine.
—Maria Spagnuolo, Principal, July 30, 2020

As promised, and upholding a 111-year Cathedral High School tradition, on July 30th the 98 members of Class of 2020 and their families joyously celebrated graduation at St. Patrick’s Cathedral.

Valedictorian Trinae Yagumyum and Salutatorian Tahira-Jahnai Vera spoke of their wonderful experience at Cathedral. Assistant Principal, Rosemary Eivers served as Mistress of Ceremonies. The faculty recognized the Class of 2020 with over 100 awards and honors and acknowledged the 60 recipients of $20 million in college scholarships and grants.

Commencement Speaker Debra Vizzi ’81 addressed the Class of 2020 and their families. Debra attended Cathedral as one of the first students to receive a scholarship from Student Sponsor Partners (SSP) where she now serves as Executive Director. Her message of strength, hope, perseverance, giving back, remembering where you’re from, and thinking big resonated deeply in this extraordinary time.

Principal Maria Spagnuolo called the Class of 2020 “her heroes” because when they were asked to respond they did so with grace, integrity, patience, and selflessness. She spoke of their shared responsibility for advocacy and change and urged them to respond, never stop hoping, and always stay true to their unique selves.

It was a joyous socially distanced celebration one month and 27 days late!
We are pleased to welcome Ederlinda Paraiso to Cathedral’s Board of Trustees. As Vice President of Research Operations and Strategic Initiatives at Memorial Sloan Kettering Cancer Center (MSK), Ederlinda has over 20 years of business operations experience in a cancer research setting. She oversees many research programs and enterprise-wide projects. As a strategic partner to clinicians and scientists, she creates and builds research programs and infrastructure that serve the needs of patients, investigators, students and trainees.

Ederlinda is responsible for the creation of the renowned high school Summer Student Program (SSP) within the Human Oncology and Pathogenesis Program (HOPP) at MSK. Now in its tenth year, this program receives over 600 highly competitive applications for only 35 positions.

Ederlinda was also the strategic partner for the creation of the Science Enrichment Program (SEP) which supports minority high school students to gain experience in a cancer research setting. Through grant applications and partnerships, Eder seeks out new ways for more diverse populations of students to gain access to opportunities at MSK.

Cathedral met Ederlinda through the SEP program. Her compassion and leadership overflow outside of her role as a hospital leader, providing mentorship and support for colleagues, researchers, faculty, and members of her community. MSK is very lucky to have her as an active, thoughtful and conscientious citizen and Cathedral is too!

“I am thrilled to join the Board of Trustees and to contribute to the important mission. From the first day that I met Maria Spagnuolo, the faculty, and the students, I knew this was a special school. It’s apparent that everyone involved is committed to the students’ success. I want to be a part of that community and contribute in any way I can to help these young women achieve far beyond what they may have ever imagined for themselves.”

- Ederlinda Paraiso
Partnership with Memorial Sloan Kettering

In partnership with the Memorial Sloan Kettering Cancer Center Science Enrichment Program (SEP) Cathedral High School is pleased to continue offering an invaluable internship program for juniors. This 10-month program provides a pipeline for selected students to enter the field of science—and succeed.

Four juniors were accepted as Student Scholars for the 2019-20 cohort. This year five Cathedral juniors - Zemira Meade, Celine Rosario, Arlett Cabrera, Abigail Farillas and Patricia Villaruz are participating, virtually. Approximately 15 representative healthcare professionals including a nurse, physician, surgeon, radiologist, oncologist, anesthesiologist, dentist, physical therapist, occupational therapist, speech therapist, social worker, dietitian, respiratory therapist, surgical technician, physician assistant, and pharmacist are offering them an intimate look into a variety of healthcare career paths and their daily work. Each discuss their career journey, educational requirements, work environments, the types of illnesses or injuries they are presented with, and issues their fields face such as insurance, health care systems and competitors.

Specific topics address and explore the types of questions and issues confronted on a daily basis. Three case studies are presented and the 45-minute session ends with an assignment for students to research and determine options for a course of treatment. Student findings are presented the following week.

WHITE COAT CEREMONY

On October 22nd, Cathedral High School celebrated the 28 seniors in our Medical Gateways Academy. Students were honored at our annual White Coat Ceremony for successfully completing 3 years of the program. Commemorating this milestone in their educational journey, they are now embarking on their 4th and final year of the Academy. We are so proud of them!
FROM OUR PARENTS

I simply wanted to let you all know what a great first week this was. Comparing the virtual process of other institutions with yours, I would say you all hit the mark. I believe that the teaching modules were both interesting and edifying. The instruction was stellar starting out and I am looking forward to what’s next for the rest of the school year. I know that the standard is excellence and it really showed this week.

–10th grade parent

I just wanted to thank you and the wonderful teachers you have at CHS for doing such a phenomenal job during this difficult time. I am so honored that my daughter has the opportunity to do so well in this environment.

–10th grade parent

STEM Academy Maker’s Club

As part of the STEM Academy, under the leadership of our new technology teacher Cesar Camacho, students in Cathedral’s Maker’s Club designed original headphones. Utilizing 3D printers, purchased through our grant from the Fund II Foundation, they employed computer aided design (CAD), engineering, and manufacturing to display their individuality, style, and creativity. This project also taught students about material science, helping them determine which material is suitable for each of the headphone parts.

Class of 2021 Ring Day

On October 1st, the Class of 2021 and their families joined faculty members at St Patrick’s Cathedral to celebrate Mass and the blessing of the rings.
Introducing the Principal’s Council

We are delighted to initiate a Principal’s Council composed of this esteemed group of individuals committed to Cathedral High School. Serving as ambassadors to Cathedral and strategic advisors to Principal Maria Spagnuolo these dedicated alumnae and supporters are helping to further our mission and enhance our visibility. Through the guidance of the Principal’s Council we seek to expand Cathedral High School’s network and develop new relationships and collaborations. We look forward to working with them!

Lynda Baquero ’83

Emmy-award winning Lynda Baquero is NBC 4 New York’s consumer reporter. Lynda’s “Better Get Baquero” segments resolve consumer complaints and provide updates on the latest consumer alerts. She is also host of the long-running series “Visiones” which highlights issues that affect the Hispanic community.

Baquero has been with NBC 4 in a variety of high profile positions and has filed reports both at home and abroad. The recipient of a 1998 local Emmy Award for “Religious Programming” for her coverage of the Pope’s visit to Cuba, Baquero also received a 2006 Emmy award for “Best Evening Newscast” with Chuck Scarborough. She was named one of El Diario La Prensa’s “Mujeres Destacadas” (Outstanding Women) and received the Consulate General of Israel’s “Woman of Valor” award.

Lynda was honored by New York University College of Arts and Sciences with their “Alumni Achievement” award and received the “Excellence in English Language Media” award from the Hispanic Organization of Latin Actors.

Dedicated to helping young people achieve their potential, Baquero is on the Board of Directors of Let’s Get Ready, a non-profit organization that serves the educational needs of NYC students and the Byram Hills Education Foundation which supports students in Westchester County.

Baquero is a graduate of New York University and holds a Bachelor of Arts degree in Broadcast Journalism.

She delivered the 2013 Commencement Address at St. Patrick’s Cathedral for Cathedral High School. In citing her alma mater, she stated, “I’ve always admired the self-respect and poise that many Cathedralites possess. I believe that comes from the spirit of knowledge and faith taught by the staff. I believe wholeheartedly in supporting efforts to empower more young women with the kinds of qualities fostered at Cathedral High School.”

Ursula M. Burns ’76

Ursula Burns is a Senior Advisor of Teneo Ltd., Retired Chairman and CEO of VEON Ltd., and a Retired Chairman and CEO of Xerox, where she became the first African-American to head a Fortune 500 company.

A strong advocate for gender and racial diversity, Ursula continually breaks down barriers for generations of women leaders. She is a board director of Exxon Mobil, Nestlé, and Uber and regularly appears on the Fortune and Forbes lists of the world’s most powerful women.

President Barack Obama appointed her to help lead the White House national STEM program from 2009-2016 and she served as Chair of the President’s Export Council from 2015-2016 after having served as Vice Chair from 2010-2015.

She provides leadership counsel to several community, educational and non-profit organizations.

CONTINUED ON PAGE 8
including the Ford Foundation, the Massachusetts Institute of Technology (MIT) Corporation, Cornell Tech Board of Overseers, the New York City Ballet, and the Mayo Clinic.

A member of the National Academy of Engineering, The Royal Academy of Engineering and the American Academy of Arts and Sciences, Ursula holds a master’s degree in mechanical engineering from Columbia University and a bachelor’s in mechanical engineering from Polytechnic Institute of New York University.

She is inspirational as a role model to Cathedral students. Ursula cites her mother’s focus on education as laying the foundation for her success and her extraordinary rise in the business world. She was the honoree at Cathedral’s 110th Anniversary Gala in 2016 and is a generous supporter of student scholarships. We are honored that the Ursula M. Burns MakerSpace, on our 3rd floor, is host to Cathedral’s innovative STEM program.

**Thomas W. Crawford**

Thomas W. Crawford was a Partner at KPMG in NYC from 1981 to 2009. During that time, he served as the Area Managing Partner for Tax for NYC and the Northeast as well as other leadership positions. Tom had various client responsibilities as lead tax partner and global tax partner on several major international clients of the Firm. After retiring from KPMG, he was the CFO and head of tax at Bergruen Holdings, a family office in NYC with various direct holdings in the US and globally for 5 years. In 2015 Tom and his wife, Diana, moved to the San Francisco Bay Area to be near his 3 daughters and their families. Since 2016 Tom has been the VP of Tax at Hillspire LLC, a family office in the Bay Area.

Tom is a CPA in California and previously in NY and has an MBA with distinction in Taxation from Pace University and has a B.S. in Accounting and Economics from Iowa State University.

Tom was the Treasurer and a member of the board at Cathedral High School from 2008 to 2015. Over the years, he and his daughters, who were working in NYC at the time, sponsored Women in Business seminars and personal health activities for the Cathedral students.

**Sr. Margaret T. Egan ’56**

Sister Margaret Egan, SC, Ed.D. is a member of the leadership governance of the Sisters of Charity of St. Vincent de Paul of New York. Prior to that, she served as elementary-middle school teacher, then as Professor of Teacher Education and Vice-President for Student Development at the College of Mount St. Vincent. During her time as Chair of Teacher Education she developed the Master’s Program in Education and enrolled the department in the National Honor Society in Education.

She was President of the New York State Colleges for Teacher Education and received the Teacher of the Year Award from the New York State Association of Teacher Educators.

After serving on the Cathedral High School Board of Trustees for 10 years, Sr. Margaret presently serves on the Board of the Sisters of Charity and St. Joseph Hospital, Yonkers. More importantly, Sr. Margaret is an alumna of Cathedral High School.

**Maria–Cecilia Salazar ’87**

Maria Cecilia Salazar, ’87 CHS alum, has over thirty years of experience in the financial services industry. Her career in finance started out thanks to a Junior Achievement program during senior year at Cathedral High School which led to an internship at the IBM Metro Employees Federal Credit Union, where she remained a part-time employee for several years while continuing her education.

In the following years, she completed an associate’s degree from The Wood School and a Bachelor of Science in applied
mathematics from the City College of New York.

Despite her interest in math, science and English at Cathedral and several changes of majors, the time at IBM Metro made her realize she wanted to remain in the financial services industry, working with people instead of numbers and building client relationships.

Upon graduation from CCNY, she began her career at The Bank of New York and also attended The Lubin School of Business at Pace University where she received an MBA in Financial Economics. Since then, she has worked at Standard & Poor’s as an index market analyst and during the last seventeen years has been at J.P. Morgan, where she is currently the head of relationship management for Latin American corporate clients for a division called American Depositary Receipts.

Glenn Shannon

Glenn Shannon is a vice chairman of Shorenstein Properties LLC, a privately-owned company headquartered in San Francisco that owns office buildings and multifamily properties located in major U.S. metropolitan areas.

Glenn is a member of the Urban Land Institute and Lambda Alpha International, a member of The Real Estate Roundtable, and co-chairs The Real Estate Roundtable Political Action Committee (REALPAC). He serves on the Real Assets Advisory Committee for the Williams College Investment Office, the Advisory Board for Kinship Capital and for Carmel Partners, on the investment committee for Wind River Trust Company, and as an independent non-executive director for The Addax and Oryx Group LLC.

Glenn is the chair of the Ambassador Council of Aim High, a tuition-free summer school program for middle school students in underserved Bay Area communities, and the vice chair of the National Eating Disorders Association (NEDA), an organization that advocates for and supports individuals and families affected by eating disorders.

He graduated from Williams College with a B.A., and from University of Michigan Law School with a J.D. A long-time contributor to Cathedral and sponsor of student scholarships, Glenn is one of 5 children of Edna Marie Rasmussen Shannon ’44, whose classmates named her “the golden lass of our class”. Glenn and his family support Cathedral as a way to honor Edna, who passed away in 2015 and firmly believed that her time at Cathedral changed the trajectory of her life.

Debra De Jesus-Vizzi, MSW, LCSW ’81

Debra has dedicated her life and work to helping those in need. A thought leader and changemaker for child welfare, education, and poverty, her passion and drive come from her personal experience as a foster child in New York City and the capable adults who changed the trajectory of her life in much the same way she aims to support vulnerable youth today.

She has come full circle and is now Executive Director of Student Sponsor Partners, an organization that impacted her by providing the opportunity to attend Cathedral High School and have a supportive mentor.

Prior to joining Student Sponsor Partners, she served as President and CEO of the Community FoodBank of New Jersey, the largest anti-hunger and anti-poverty organization in the state. Debra received the 2015 New Jersey Humanitarian Award from CASA of Monmouth County and a Distinguished Alumnus Award from the State University College at Buffalo, and she was a finalist for the 2015 Smart CEO: Deals of Distinction Award.

She is a Licensed Clinical Social Worker and received her Master of Social Work from Rutgers University and her bachelor’s degree from the State University College at Buffalo. She is completing her doctoral studies in Social Work at the University of Southern California. Debra was the commencement speaker at the Class of 2020 graduation at St. Patrick’s Church this summer.

TUITION & IMPACT

Financial assistance is provided to over 85% of our students

Tuition at Cathedral is $10,960, although the actual cost to educate each student is $16,000. In comparison, the public school cost per student is $25,000

100% of Cathedral High School seniors graduate each year

The class of 2020 received $20M in scholarships to colleges including: Berkeley College, Clark University, College of Mount St. Vincent, CUNY, Fairfield University, Fairleigh Dickinson University, Fashion Institute Of Design and Merchandising, Iona College, Johnson and Wales, Marymount, New York University, Pace, Penn State, School of Art Institute of Chicago, Spelman College, St. John’s University, SUNY, The New School, Parsons School of Design, University of Southern California, Notre Dame

CLASS OF ’72 - MIAMI REUNION ON ZOOM

Cathedral’s Class of ‘72 shares an enduring camaraderie. In September several alumnae reunited for a mini-reunion on Zoom. The group reminisced about wonderful memories and the excellent education they received. Thanks to Denice Crus-Rodriguez for setting up this Miami area get together.

If you’re interested in a mini-reunion - contact Maria Volpe mvolpe@cathedralhs.org.
The Cathedral High School community extends its deepest sympathy to the loved ones of recently deceased alumnae and friends. Please remember them in your prayers.

Senior Costume Day

In the tradition of classes before them, on October 29th Cathedral seniors participated in our 11th annual Senior Costume Day. This fun tradition, though on a smaller, more “toned down” scale was quite memorable for all!
Cathedral High School recognizes with gratitude the following donors who have generously supported our mission this past year.

Leave Your Legacy and Have a Lasting Impact on Future Generations

In these uncertain times, it’s important to plan for the future. Please consider Cathedral High School in your estate plan. Your gift will be a lasting investment in Cathedral’s dynamic young women—our leaders of tomorrow.

If you have already named Cathedral as a beneficiary, please let us know. If you have not yet done so, we invite you to become a member of the Sr. Raymond Legacy Society.

For more information, contact Gina Lombardo, Director of Development at glombardo@cathedralhs.org.
On September 23rd Cathedral launched a campaign to raise $100,000 by December 31st to raise vital funds to assist students and their parents who have been adversely affected by the COVID-19 crisis.

Over 85% of our families receive financial assistance, without which most students would be unable to attend Cathedral High School. Many of our families face an uncertain future with continuing job loss, financial strain, schools closing, and unprecedented challenges. Our enrollment has increased but the capacity of our families to fulfill their tuition payments is appreciably lower this year.

HELP US REACH OUR GOAL BY DONATING!
Donate at https://cathedralhs.org/100-days-100k or return the enclosed envelope.

PLEASE PLAY YOUR PART
» Donate in honor or memory of someone
» Make this your holiday gift and we’ll send the recipient a card designed by a student
» Remember to let us know about your company’s matching gifts

For more information contact development@cathedralhs.org.

Thank You!!!!!!
