Dear Cathedral Family,

Thank you for your well wishes as the Picciano family welcomed our third son this summer, Raymond Joseph! As many of you know, bringing children into the world presents an opportunity to reflect deeply on the significance of a single human life. And during those very late (and very early!) hours spent with Raymond, I also found myself marveling at our Cathedral students – at their goodness, their potential, their tenacity!

We are so blessed as administrators and educators to have the privilege of identifying and cultivating the personal and intellectual gifts of Cathedralites. Our teachers are often the first ones to recognize a gift that the student herself might not even realize she has! And by posing the simple question, “Have you ever thought about…?” our teachers plant hope, elevate sights, and inspire confidence. God has created each of our young women for a specific purpose that will unfold over the course of her life, and her education here at Cathedral High School is an integral part in fulfilling that purpose.

This fall, Principal Maria Spagnuolo and I are delighted to share some exciting happenings around school. In the pages that follow, you will also read the names of those who gave to Cathedral so generously last year. Thank you for the many ways you partner with us in advancing Cathedral’s great mission: to provide young women with a transformative Catholic education that challenges them to fulfill their academic potential, inspires them to serve and care for their communities, and imbues them with a deep awareness of their own human dignity. Our work is not possible without you!

Hopefully, you have by now received an invitation to participate in this year’s annual fund. If you have never given to Cathedral, I hope that you might consider a first-time gift this year – every gift, no matter how large or small, supports a young woman in need of financial aid. Many alumnae have said to me that they give to Cathedral today in gratitude for the support they received as students years ago, and we sincerely thank you for your financial sacrifices.

Please know that you are always welcome here at Cathedral! We encourage you to visit or call anytime. Your lives and stories are an inspiration to our youngest Cathedralites!

Gratefully yours,

Juliette M. Picciano, President
Dedication of the Mary P. Dolciani Halloran ’44 Mathematics Wing

Mary Dolciani ‘44 was a noted mathematician and chair of the Hunter College Mathematics Department. We were deeply honored to dedicate our math wing in her memory on Wednesday, September 21, 2022. Joined by the faculty of the math department, selected students, and her grandson Matthew Thomas, the dedication began with remarks by CHS President Juliette Picciano, “Our goal for every Cathedral student is to ignite in them the same love of learning that Mary Dolciani possessed for mathematics. We want all Cathedral women to lead lives of purpose and to cultivate the intellectual, personal, and spiritual gifts that God has given them.”

The dedication was followed with a blessing by Reverend Monsignor Joseph P. LaMorte, the Vicar General and Moderator of the Curia, Archdiocese of New York. “Next to your power, Lord, there is no greater power than knowledge” and a prayer that “the values and perspectives of tomorrow’s leaders be shaped and formed here each day.”

Matthew Thomas performed the ribbon cutting and shared that while at CHS his grandmother’s superlatives were “most studious, most reliable and the ideal Cathedral girl.” Although she was a prolific textbook writer and her books sold 50 million copies worldwide, her real passion was teaching.

Principal Maria Spagnuolo concluded the dedication by thanking Matthew for the gift from the Mary P. Dolciani Halloran Foundation and promising that we would be good stewards of her gift as we continue her legacy. Principal Spagnuolo remarked that as an outstanding educator, Mary never stopped looking for ways to captivate and ignite passion in her students and that she is an excellent example for our students to always be the best versions of themselves as they face life’s challenges.

The afternoon ended in the library with a reception where we learned more about Dr. Halloran’s remarkable life. Mary was truly an inspiration for educators and students and really was an ideal Cathedral girl!
SCHOOL NEWS

YEAR IN REVIEW

The 2021/2022 school year was filled with cherished traditions, new opportunities, and warm sisterhood. Beginning with the Mass of the Holy Spirit at St. Patrick’s Cathedral to celebrate together as a community and continuing with a full calendar of school activities such as Spirit Week, Career Days, the Christmas Bazaar, Junior Ring Day and semi-formal, Culture Day, and Senior Prom. Clubs were active, our athletic teams played in many games and tournaments, Mock Trial competed and theater was performed. Enriching academic endeavors and volunteer activities took place, and the year concluded with a beautiful graduation ceremony where we welcomed a new group of Cathedral High School alumnae.

Our Friends and Alumnae were no less active in participating in our virtual wine tasting and the Virtual Christmas Silent Auction, joining our webinars such as Women and Faith, and attending our in-person reunion or our 2022 Cathedral Around the World Gala. Most importantly, you supported our students with your gifts, your prayers, and your wisdom – like Akaysha Palmer ’18 who implored our students to put themselves out there and not limit themselves as they explore their world, and Ursula Burns ’76, our graduation speaker, who encouraged that “one person can join with others to bring positive change” and “women working together can change the world.”

Sports Program

Cathedral High School offers a robust sports program with seven varsity sports and eight teams on various levels. CHS is a member of the GCHSAA (Girls Catholic High School Athletic Association) and competes on the B division level. The sports offered include Cheerleading, Cross Country, Soccer, Volleyball, Basketball, Lacrosse, Intramural Flag Football, and Softball. Last year our Varsity Basketball team ended their season as Tier 3 finalists and the Volleyball team won the City Championship.
Clubs

We are proud to have over 30 clubs from which our students can choose. Students can participate in clubs with serious academic goals such as Future Business Leaders of America, which helps high school students prepare for careers in business through academic competitions, leadership development, and educational programs, and the Brainiacs Club where they learn about the brain’s functions and explore strategies to prevent and treat disorders. They can explore other cultures by joining the French, Mandarin, or Deaf Culture Clubs. If they are interested in socially current topics there is the Youth Alliance Club, which encourages our students to research issues that have a particular impact on women, and the Moxie Club which focuses on women’s empowerment. If a creative outlet is what they are seeking, we offer the Art Club, Guitar Club, and the Drama Productions Club which presented last year’s *You’re a Good Man Charlie Brown*. Service to the school can also be accomplished in the Student Council, Newspaper, or Yearbook Clubs. Rounding out our diverse selections are the Book Club, the Dance Club, and the Billiards Club, which participates in travel tournaments including the Billiard Education Foundation Junior National Championship in Las Vegas. Students can also start their own new club with only a few members and a moderator so the opportunities can grow according to our students’ needs.

Service

Service is an integral part of our community life. Through the efforts of classes, clubs, and school-wide campaigns, our students find ways to help out on a global as well as local level. Each fall the student body raises money and collects necessary items for the Parent’s Pantry at Ronald McDonald House on the Upper East Side of Manhattan, and we sponsor a food collection to help replenish the food pantry at the Mercy Center in the Bronx. Campus Ministry supports LifeWay, an organization dedicated to helping women escape human trafficking, and HopeForTheChildren, a charity that raises money and invests in start-up projects among the poor in Central and South America as well as the neediest areas of the Metropolitan New York. As part of our Lenten observances, we raise money for Catholic Relief Services. Beyond our annual efforts, we remain ready to help when called upon. This was evident last year when, in response to a devastating fire in a highrise Bronx apartment building, our community conducted an emergency coat drive to help these families deal with the severe winter weather.
Cathedral High School recognizes with gratitude the following donors who have generously supported our mission this past year.

Information reported as of October 7, 2022
Sr. Mary Raymond Legacy Society Luncheon

CHS hosted its first Legacy Society luncheon on Wednesday, October 12, 2022, to celebrate the philanthropy of its members. Cathedral High School President Juliette Picciano welcomed attendees and reminded us that “Although our students come from diverse racial, geographic, and cultural backgrounds, they are motivated by a shared desire to pursue the education that will help them become a ‘woman for the world’ – a woman who cultivates her God-given gifts and boldly uses those gifts to lead, serve, improve the world around her.”

Legacy Society member Marta Baez from the class of ‘65 shared that the reason she supports Cathedral is because of the expanded possibilities for girls, the cultural diversity, and the emphasis on values. Society members and other alumnae and friends enjoyed getting to know some of our current juniors and sharing stories with them. The afternoon ended with a greater understanding of the importance of planned giving as a means to keep Cathedral High School the nurturing and outstanding place it is today. As India Sneed ’04 said “empowerment” and “I know I can” are two key things that every student can take away from CHS. Thanks to all of you who make this possible!

In Memoriam:
Elizabeth “Liz” Lawlor

Elizabeth “Liz” Lawlor, Assistant Principal for Student Life and Discipline, passed away on June 14, 2022. Mrs. Lawlor served the Cathedral High School community for 22 years. Her loss was deeply felt by faculty, students and staff. Principal Maria Spagnuolo remarked, “I have known Mrs. Lawlor most of my life, first as a student, and later on as a teacher and administrator. She was an integral part of my upbringing and professional growth, and I will always be grateful for learning from her and working with her.”

Mrs. Lawlor will always be remembered, and her loss will be greatly felt by all.
