Cathedral High School Uniform Policy

Cathedral High School educates the whole person. A uniform/dress code is instituted for the following reasons:

• To help establish and maintain proper academic tone within the school community.
• To provide financial relief for parents/guardians.
• To reduce superficial competitiveness in dress among students and to support the dignity of the individual based on character rather than appearances.
• To instill good rooming habits and neatness in appearance.

The school administration reserves the right to revise the dress code at any time it deems necessary. Additionally, the school administration reserves the right to make all final judgments in terms of the appropriateness of a student’s attire and appearance.

The school uniform must be worn to and from school. Students must wear the uniform school slacks or skirt* along with the school shirt, blazer/sweater and mandated school shoes where applicable at all times. Please refer to our school website at cathedralhs.org/uniforms for specific uniform requirements. Any student out of dress code will be automatically suspended and be sent to in house suspension.

The uniform company may be reached at:
