

A TRADITION IN SPIRITUAL DEVELOPMENT

Saints Peter & Paul School provides students with a solid Catholic foundation that has been established through a tradition of strong family and parish ties. We promote community involvement and service unmatched by others.

SSPP integrates Religion across our curriculum that includes:

- Weekly Liturgy
- Prayer Services
- Weekly Adoration
- Sacramental Preparation
- Stations of the Cross

www.sppbeaver.org

The mission of Saints Peter & Paul Catholic School is to provide the opportunity for our students to obtain a distinctive, faith-based education centered on the teachings of Christ while providing the foundation for every student to achieve academic excellence and the opportunities for success.

We strive to instill in our students a strong love of learning as they develop academic and life-long skills.

Saints Peter & Paul Catholic School fosters a safe and nurturing environment of mutual respect where students realize that everyone is unique and possesses gifts to contribute to society.

“I’m just so grateful for the excellent foundations that my children received at Saints Peter & Paul. Our daughter scored the second highest grade (in the Danville School District) on the Keystone Literature exam last spring and our son scored second in his state English exams and got a lot of perfect scores also in math. God bless you and thank you.”

– Patty Heinle

Student Leadership

Student Leadership is expected at Saints Peter & Paul School. Our students may participate in the following:

- Academic Games
- Altar Serving
- Band
- Basketball
- Cheerleading
- Cross Country
- Soccer
- English Festival
- Forensics
- Geography Bee
- Math Counts
- PJAS
- Robotics
- Science Club
- Spelling Bee
- Stock Market
- Student Council
- Yearbook Staff

Passing on the Tradition

Our Parents are invaluable to our school community. Their time, talents and energies are given generously to help us serve our children. They do so because of their desire to guarantee that each generation understands and accepts the greatest gift of all... Catholic faith.

A Tradition of Excellence

Saints Peter & Paul School’s curriculum includes high academic standards for students from Kindergarten through Eighth Grade. Our graduates are prepared to enter top high schools and frequently qualify for honors and advanced placement programs. Our full accredited curriculum conforms to state as well as diocesan standards. Our faculty is well qualified and fully accredited, setting the bar high for all students and challenging each to reach his or her fullest potential.

Preparing for the Future

The addition of a new STEAM lab is preparing our students for future job markets and enhancing their overall educational experience. STEAM, which stands for Science, Technology, Engineering, Arts & Mathematics is the ultimate way to allow for our students to take an interest in these subjects at the same time they are exploring, analyzing, inquiring, and problem solving. The STEAM lab is adjacent to our computer lab and is occupied every free moment with the use of computers, 3D printer, hands on science materials and a state of the art multi-touch smartboard. Additionally, we have an on-site roaming classroom cart of iPads, chromebooks for all students in grades six through eight, and student laptops in every room!

A Tradition of Service

Students at Saints Peter & Paul School seek to return value for the gifts they were given. The desire to give and be of service to others is part of our life... a lifestyle. A few of our service projects include:

- Chimbote Mission
- Catholic Charities
- Pennies for Patients
- Food Drives
- “Think Pink for Cancer”
- Mom’s House
- Local Humane Society
