Q What is the role of the assembly for inquirers? How can the assembly be helpful to them?

A Inquirers feel encouraged when the faithful are good witnesses to the spirit of community and welcome them—to Mass, to parish events (outreach and social), and even into their homes. Assembly members make inquirers feel welcome when they learn their names, greet them, and engage in conversations with them. When inquirers meet parishioners and participate in the life of the community they get a sense of how the parish lives out its commitment to be evangelizers of the Good News of Jesus Christ (*Rite of Christian Initiation of Adults*, 9, 38).

Stewardship Reflections

"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." (Genesis 2:19)

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

Join a Small Church Community Today!

Please prayerfully consider joining a SCC group. Check out SCC on Our Lady of Perpetual Help web page for prayer and learning opportunities. For more information contact the church office **361-991-7891**.

Saturday October 6th at 6:30 pm in the Parish Hall

We invite all Married and Engaged Couples to join us for a night to explore the riches and beauty of marriage. It calls couples (married and engaged) to step back and reevaluate the commitment they made when they first came together. It empowers couples with the practical skill to live out a joyous and fulfilling marriage. Living the gospel

Cut it out!

The thought of cutting off a hand or foot or tearing out an eye all seem a bit extreme if taken literally. Whilst Jesus didn't mean for us to do a bit of self-surgery, if we find ourselves caught in behavior that is self-destructive or hurtful to others, the only solution is quite literally to 'cut it out'. We know within ourselves when our actions are life-giving or life-harming. Surprisingly we often persist with harmful behavior even when we know it's harmful. Jesus' solution is simple: cut out the negative behavior and get back on track. That's the principle behind Reconciliation.

SAINT OF THE WEEK:

We introduce a new saint to you so that you may get better acquainted with them during this Year of Study.

St Thérèse of the Child Jesus was born at Alençon, France in 1873. She entered the Carmelite convent of Lisieux at a young age and was recognised for her humility, simplicity and confidence in God. She died of tuberculosis in 1897, at the age only 24. Her autobiography, 'The Story of a Soul', was published after her death—she also left many letters, poems, religious plays and prayers. Thérèse was canonised in 1925 and in 1997, Pope John Paul II declared her the thirty-third Doctor of the Church; the youngest person and only third woman to receive this title.

This study provides the easiest way to understand the Bible. *Unlocking the Mystery of the Bible* makes the complex simple. It helps you uncover the story woven throughout Scripture, so that you can get the "big picture" of the Bible and understand what it's all about. The Bible is a story about the Father's unfailing love for you, a love that you are now called to share with others.

"The effect on my parishioners has been wonderful: a deeper love for Christ, a deeper experience with the sacraments, and continued love for the Scriptures."

 P ¿Cómo es una sesión con los que andan "buscando algo"?

R La etapa de evangelización y preeucumenado es para los interesados el tiempo de "venir y ver", de hacer todo tipo de preguntas y de explorar cuanto quieran sobre los católicos. Es tiempo dedicado a ellos para darse cuenta de dónde están en su relación con Cristo. El catequista puede plantear preguntas para que los interesados compartan sus historias de fe, de oración e incluso historias personales sobre cómo Jesús ya es parte de su vida. Es tiempo para reflexionar sobre sus dudas, alegrías, búsquedas, relaciones y conexiones entre su vida cotidiana y algunos pasajes de la Sagrada Escritura, para darse cuenta de las muchas formas de la presencia de Dios en su vida.

Intenciones de la Santa Misa para el año 2019

Todos están invitados a establecer sus intenciones de la Santa Misa para el año 2019 el martes 16 de octubre de 9 am a 12 pm y 2 pm a 4 pm. Por favor, ven preparado con tu lista de nombres y fechas. Cada Intención de la Santa Misa es \$5.00.

Have you thought? **Jealousy**

The disciples are portrayed as being jealous of someone healing in the name of Jesus. It is almost an intellectual property argument – you can't use Jesus' name to heal, only we can 'cause we're with Jesus. Their attitude sounds quite childish but it is an attitude we encounter all the time – and are perhaps guilty of ourselves at times. In our world that encourages competitive behavior at every turn, Jesus' attitude is a challenging one – if good is being done, why care who gets the credit for it? Perhaps politicians would get more done if they weren't concerned about getting credit for what they do.

gospel focus

Anyone not against us is for us

It is sometimes quite baffling why the movement for ecumenical dialogue is so labored and apparently delivering such limited results. It seems that it is human nature to dwell much more on what makes us different rather than on what we have in common. Unfortunately, efforts to build dialogue between Christian churches seem to inevitably turn up the differences that impede dialogue more than the commonalities that foster dialogue. Jesus made it clear that "anyone who is not against us is for us". Perhaps if we focus on the common goal of leading people to Jesus we can get beyond the differences that set us against each other.

Reflexiones de Corresponsabilidad

"Así que, de la tierra, el Señor Dios formó todas las bestias del campo y todas las aves del cielo, y las trajo al hombre para ver cómo las llamaría; y a toda criatura viviente que el hombre le pusiera nombre, ese era su nombre" (Genesis 2:19)

La historia de la creación nos recuerda dos puntos importantes. Primero, desde el comienzo, Dios puso todo el mundo a nuestro cuidado. En segundo lugar, la corresponsabilidad ha existido desde el comienzo de la humanidad, no es algo inventado recientemente por la Iglesia. Así como las generaciones pasadas construyeron nuestra Iglesia, ahora es nuestra responsabilidad continuar fomentando y desarrollando estos dones para las generaciones futuras.

Tu Diezmo

iGracias por su generosidad!

Así como ustedes y sus familias tienen gastos mensuales que pagar, nosotros también los tenemos en orden de continuar nuestra visión y labor pastoral a nuestros feligreses y la comunidad. Queremos que todos se acuerden de su familia parroquial en su planeación cuando salgan de vacaciones o por el fin de semana en su diezmo a nuestra iglesia. También los animamos que todos establezcan un diezmo recurrente a través de nuestra donación en línea (On-Line Giving). Visita nuestra página web al www.olphctx.org y haz clic en la pestaña de On-Line Giving. Para preguntas, comunicarse a la Oficina Parroquial. En verdad os digo que cuanto hicisteis a nos e estos hermanos míos más pequeños, a mí me lo hicisteis." (Mat 25:40b)

El propósito del Dia de Ministerios es celebrar las muchas maneras en que estamos utilizando nuestros talentos y obsequios para reflejar el amor de Dios en nuestra parroquia y comunidad para aumentar los niveles de ministerio y participación, y para ayudar a todos a encontrar un lugar de servicio gozoso. Este es un momento para que los miembros de la iglesia se reúnan y recopilen información sobre los diversos ministerios, organizaciones y oportunidades educativas. Los miembros de la iglesia pueden hacer preguntas y explorar oportunidades para compartir su tiempo y talento.
