

## Deacon's Beacons

October 20, 2023

The LORD is my shepherd; I shall not want. Psalm 23:1

I know that I have reflected on this before and I was going to refresh for a different passage but I suppose the Holy Spirit is trying to speak here. The Shepherd provides for all the needs of His flock. So why do we worry about what we need? In fact, the Gospel for today addresses this same point. Jesus reminds us that two sparrows are sold for small coins yet God provides all they need. So if we are confident that God is, in fact, our Shepherd, we should be confident that He will provide what we need. Now that does not relieve us of our responsibility to work because even our talents are from God.

By the way, this marks the completion of ten years of Deacon's Beacon. Let us hope for many more.
