"Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven." Matthew 5:10

If you are willing to stand up for the truth, you will be putting a target on your back. People do not want to hear the truth. They want the truth to be whatever they want. But that is not truth. That is opinion. God has decreed eternal truths and the changing waves of human opinion do not change those truths. It simply denies them. So, carrying the banner of truth will invite attacks from differently minded people. The most tragic thing is that we used to be able to disagree civilly. That is no longer the case. Disagreement has become an attack on the sovereignty of the individual. God is no longer sovereign. We need to fix that.
