

Deacon's Beacons

April 3, 2023

But to all who did receive him, who believed in his name, he gave the right to become children of God, John 1:12

We are adopted children of God because of the only Begotten Son. Through His obedience we are reconciled to the Father and can enjoy all the benefits of being the children of God. All that is required of us is that we believe. But believing itself carries more than just an assent of the mind. What follows must be an assent of the will as well. We must be converted by that assent. We must change our lives to conform to the Commandments of God.
