Before the mountains were brought forth,
or ever you had formed the earth and the world,
from everlasting to everlasting you are God. Psalm 90:2

Sometimes we forget that God created everything simply because He wanted to do so. God did not need Creation or any of us. Yet He willed that we be so that He can share life with us. We do not fulfill a need for God. We are His joy. Maybe if we remember that, we will approach our relationship with God as a relationship and not an obligation. Our praise does not add anything to God and yet it pleases Him. That is how much God loves us. Do not lose sight of that.
