

## Deacon's Beacons

July 31, 2023

And they said, "Believe in the Lord Jesus, and you will be saved, you and your household." Acts 16:31

Yes that is true. But that is the beginning of the walk. If that is all that you do, how can you justify your life? You must put your belief into action through conversion. If you say you believe but your actions say otherwise, that is both a lie and a great scandal. We should not lie but we must not cause others to stray because of the scandal that we present. You are only responsible for your own soul but you can be held responsible for leading others astray. Works will not save you but without works, your faith is nothing. Make sure your actions echo the faith that you profess.
