

Deacon's Beacons

Jesus Christ is the same yesterday and today and forever. Hebrews 13:8

There is nothing that changes about our God. He is constant in His Being which means He is constant in His love according to the First Letter of St. John. We are the ones who are changing. We think that we are evolving and, in that, we need to redefine our beliefs. But God does not change so why would our beliefs if they are based in God's Law? Or would we prefer to bend God's Law to meet our expectations? That is not how it works. Either you accept God's Law or you do not. You cannot change it to suit your passing fancy.

Go raibh síocháin Chríost a bheith in éineacht leat.
