

## Deacon's Beacons

January 24, 2024

Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God. Hebrews 13:16

The previous verse talks about liturgical sacrifices. This reminds us that our worship does not stop at the altar. Our duty is to worship God but it also means that we must carry out the works of mercy and compassion that are necessary. These extend the love of God into the world. It is easy to get caught up in liturgical practices but that is not enough. God wants you to put your faith into action. That is how faith makes an impact on the world around you.

Go raibh síocháin Chríost a bheith in éineacht leat.
