For the kingdom of God does not consist in talk but in power. 1 Corinthians 4:20

While this sounds a bit odd, it really is saying that we cannot just speak of the kingdom. We must do something to make it happen. This leads us right into the writings of St. James when he says that telling someone in need to have a good day without providing any aid is foolish. Just so, talking about how we believe in Jesus without doing something to make the world a place where the Gospel message is recognized in action is also foolish. We must do both or our words are hollow.

Go raibh síocháin Chríost a bheith in éineacht leat.
