

Deacon's Beacons

For to me to live is Christ, and to die is gain. Philippians 1:21

We cling to life and rightly so because it is a gift from God. But our faith should tell us that only in death do we really enter into the loving presence of God fully. We should not be afraid of death because of that. However, we should strive to enjoy our lives and the blessings that God has given us.

Go raibh síocháin Chríost a bheith in éineacht leat.
