Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Philippians 2:3

Is this not exactly what Jesus did? He is God yet He did not demand the honor due to Him. He instead chose to suffer and be actually humiliated for our sake. We are not God and we should not think we deserve some special honor. We are brothers and sisters and we need to treat everyone in that way. The “other” needs to be more important than the “self.” That does not mean that you should not take care of yourself for how can you care for others if you are entirely poured out?

Go raibh síocháin Chríost a bheith in éineacht leat.
