

## Deacon's Beacons

March 21, 2024

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. Philippians 2:3

The attitude of the world seems to be me first and do not worry about the rest. We cannot be like that. Our model in Jesus is a Servant Leader. Loving one's neighbor means that the good of the neighbor become more important than the good of oneself. That does not mean that we cannot and should not take care of ourselves. But our desires should not take precedence over the needs of our neighbor. Jesus told us to love one another as He loves us. That includes self-sacrifice.

Go raibh síocháin Chríost a bheith in éineacht leat.
