And we have seen and testify that the Father has sent his Son to be the Savior of the world. 1 John 4:14

Our faith is based on the testimony of those who went before us. Beginning with the Apostles, each generation handed the teachings of Jesus to the successive generation. But with the situation today, we need to ask ourselves if we are doing a good job. Many find faith and religion irrelevant. We know they are not but we have not been successful in convincing others. Maybe we should do a few things to change that. Maybe we should pray that the Holy Spirit will ignite a new fire. Maybe we should begin living our faith in all that we do and not just talk about it. Maybe that is the way to convince others that it is relevant.
