And they said, “Believe in the Lord Jesus, and you will be saved, you and your household.” Acts 16:31

That is the first step in salvation. But if that is the only step you take, do you really have faith? Faith requires conversion and commitment. It is easy to say that you believe but the true test is when you are required to do something about it – to put your money where your mouth is, so to say. If you are not willing and ready to do that, spend time in prayer seeking the grace and the strength to step up to the task.
