There is no fear in love, but perfect love casts out fear. For fear has to do with punishment, and whoever fears has not been perfected in love. 1 John 4:18

We should not be afraid of God. God is love and love does not foster fear. However, Fear of the Lord is still a thing. But what that means is often misunderstood. It really means not wanting to offend God. It does not mean that we are afraid of God's wrath at our sins. God loves us in spite of ourselves.
