

Deacon's Beacons

October 9, 2025

Lift up your eyes on high and see:

who created these?

He who brings out their host by number,

calling them all by name;

by the greatness of his might

and because he is strong in power,

not one is missing. Isaiah 40:26

God's Creation is absolutely incredible. To think that this world and all that it holds could become randomly actually requires far more faith than the belief in God. The intricate nature of just the human body is so complex that it would be just about impossible to develop without the guidance of God. Creation is a miracle that we are not supposed to comprehend. We are simply to accept the awesome power of God.
