

## Deacon's Beacons

February 14, 2025

“No one can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money.”

Matthew 6:24

The First Commandment is to not have other gods before the Lord. When money becomes too important to us, it becomes the god we worship. Money is necessary but God is even more necessary. Some may deny it but without God we would not have life and the ability to earn money. All blessings flow from God. God will provide.
