

## Deacon's Beacons

March 5, 2025

Jesus Christ is the same yesterday and today and forever. Hebrews 13:8

Jesus is unchanging. His promise is unchanging. We think that the Church and its rules should change. At times, that makes sense. But on issues of faith and morals, the truth stands. The Church's position should not and cannot be changed on things like that. The Church's position upholds God's eternal truth. The problem today is that many do not acknowledge truth. They think that whatever they think is the truth. But a rational person knows that there are truths that are unchanging and eternal.

Go raibh síocháin Chríost a bheith in éineacht leat.
