So faith comes from hearing, and hearing through the word of Christ. Romans 10:17

We cannot begin to have faith until we hear the message of the Gospel. Only then will we see the allure of following Jesus and be able to step in faith along that path.

However, if no one presents the Gospel message to us, how are we ever able to embrace faith? While the reading of Scripture is important, being taught along Scriptural lines will deepen our understanding of what we read. So each generation must teach the next about the message of Jesus and the promise of salvation. Since you have heard the Word of God and responded, are you ready to be the teachers of the next generation?
