“All flesh is like grass
and all its glory like the flower of grass.

The grass withers,
and the flower falls,

but the word of the Lord remains forever.”

And this word is the good news that was preached to you. 1 Peter 1:24–25

Everything in this world is transitory. The only eternal is God. His word remains unchanged and lasts forever. As human society changes, many want to change what God has called us to follow. But that is not how it is to be. It can be difficult to face a changing world with eternal Truth but it is what must be done. It can be done with pastoral love but we cannot waver on the truth.
