“Worthy are you, our Lord and God,
to receive glory and honor and power,
for you created all things,
and by your will they existed and were created.” Revelation 4:11

How God created is not what is important. That God created is the most salient point. Everything coming from nothing without a Cause takes much more faith than believing that God created all. St. Thomas Aquinas is famous for many things but his Five Proofs of God stand above all else. One of those talks about causality and how each cause can be seen as an effect of an earlier cause. At some point there had to be a Cause that had no prior cause. That is God.
