Is God indeed to dwell on earth? If the heavens and the highest heavens cannot contain you, how much less this house which I have built! 1 Kings 8:27

This is Solomon speaking of the Temple that he had built. The Jewish people believed that God dwelled in the Temple. What Solomon says here is prophetic even as it seems to deny what it prophesies. God did indeed dwell on earth. We know that the Incarnation was the beginning of our salvation. God had to take on flesh so that He could take on our sins and give His Body for our salvation. The Temple was destroyed by the Romans in about 70 AD but the Temple of Jesus' body lives forever.
