

3rd Grade Summer Reading

Hello 2nd Grade Parents!

I have selected different titles for your student to choose from for summer reading. During the first week of school, students will complete an activity associated with the book that they read. The assignment will be their first reading grade for the year.

For descriptions and levels you can visit Scholastic.com or Amazon.com.

Students MUST select 1 book from the list below:

- *7x9 Equals Trouble by Claudia Mills
- *Fractions Equals Trouble by Claudia Mills
- *Charlotte's Web by E.B. White
- *The BFG by Roald Dahl
- *Terrible Two series by Mac Burnett

Happy Reading!
