**Virtue of the Month: Hope**

**Discipline with Purpose Skill: Following Instructions**

*Our Lady of Fatima*

Over one hundred years ago when the world was threatened by World War I, Our Lady promised three shepherd children that she would give them a sign to confirm her message of praying for peace. On October 13, 1917, the sun broke through the clouds in Fatima, Portugal, and “danced” in the sky for thousands of people to see. This came to be known as the Miracle of the Sun.

What was our Blessed Mother’s message to the three children? She revealed to them that she was the “Lady of the Rosary” and she told them to pray the rosary every day for world peace.

We need to rekindle this devotion today and ask our Blessed Mother to continue to intercede for us so that peace might reign in our hearts, in our homes, in our country, and in our world.
