Dear Future Third Graders,

Attached is your summer packet. Here are the directions for each story.

1 Polar Bears Past Bedtime – Pick ONE option:

- Write another ending for the book.
- Write a new beginning for the book.
- Design a movie poster to advertise the book. Cast the major characters in the book with real actors and actresses! Be PERSUASIVE! Remember – you want people to see your movie.
- Write a book review.
- Make a poem about the book.
- Write a letter from one character to another character.
- Make a travel brochure inviting tourists to visit the setting of the book.
- Rewrite the story as a picture book. Use simple vocabulary so that it can be enjoyed by a younger student.
- Make a "wanted" poster for one of the characters or objects in your book. Be detailed!
- Have another idea? Be creative and surprise the third grade teachers with your version of a "book report."

2 Non-Fiction Animal book – complete the enclosed "Animal Research Report." Fill in the requested information. Be prepared to write your animal report using your knowledge from the book in September.

3 Third Grade Angels – Your only assignment is to sit back, relax and read this book! We will be discussing this book during the first few weeks of school. You will be completing several in-class assignments about this book, so make sure to take your time as you read.

4. Complete the math pages.

Have a great summer! We look forward to seeing you in September!
