

Dear SKS Families,

Welcome to the 2025 – 2026 school year at St. Katherine of Siena. We are so excited to begin another year filled with learning, community, and fun. The SKS Home and School Association plays an important role in building that bridge between our families and the school by supporting our students, teachers, and staff. Throughout the school year, home and school sponsors different sales and run events that support and strengthen our school community. We have many exciting events planned for this upcoming school year and look forward to making SKS the best it can be with your help!

The SKS Home and School Association invites each family to join with a \$10 annual membership donation per family. Once your dues are received, you will be added to the H&S mailing list. Active members will receive e-mails with event details and volunteer opportunities. Membership is required to participate in all Home and School activities, events, and dances. Your annual H&S dues of just \$10 per family goes back to our school and our children.

Your \$10 annual dues along with our sales and events goes directly back to supporting our children. Thanks to your generosity during the 2024 – 2025 school year, SKS Home and School was able to give back to our teachers, students and to our NEW playground! Here is a list of what we were able to do because of your support!

In addition to dues, we ask for volunteers. Our events are made possible because of our dedicated parents and families. Volunteering is also a wonderful way to meet other SKS families and to show our children the value of giving back. If you are interested in volunteering or would like to contact us with questions or ideas, please email us at [skshomesch@gmail.com](mailto:skshomesch@gmail.com).

Thank you for your continued support, we are looking forward to a fun year ahead for our children!
