

SAINT JOAN OF ARC CHURCH

WORCESTER,
MASSACHUSETTS

LEGACY OF
HOPE
DIOCESE OF WORCESTER

Dear Parish Family,

The *Legacy of Hope* Capital Campaign will directly help St. Joan of Arc complete our own projects, while supporting our retired priests, Catholic education, parish-based charitable outreach, evangelization, and structural repairs to our Cathedral.

Our target as a parish is to raise \$150,190 in pledges, with **40%** of all monies raised to remain here at **St. Joan of Arc**. Every dollar raised above our parish target will result in 60% of those funds remaining right here at the Cathedral for our own needs. We hope to use these funds to:

- Make repairs to our church windows
- Make emergency repairs in our rectory

I ask each and every member of our parish to accept this ambitious challenge. Thank you in advance for your generous support. If we all participate, we will surely meet and exceed our parish target.

In Jesus' love,
Rev. Nelson Rivera
Pastor
