40% of all monies raised at St. Peter will stay at our parish to support our own parish projects.

60% will go towards supporting the **Legacy of Hope** Diocesan case elements.

If we surpass our campaign goal, 60% of every dollar raised above our goal will stay with St. Peter.

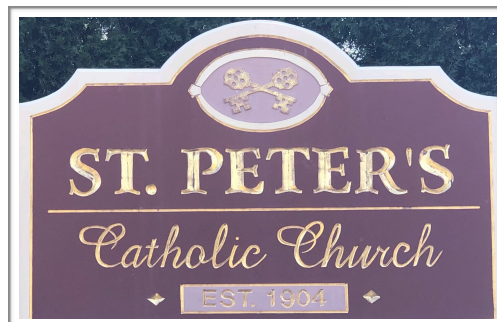

We are hoping to raise these funds over the next four years by inviting families to consider pledging to the campaign.

## TOGETHER WE CAN MAKE A DIFFERENCE!

---

We are enthusiastic about these projects and are eager for their fruition. With your support, prayers and charitable hearts you can help ensure the success of the *Legacy of Hope* Campaign and make these plans a reality.

Thank you for your prayerful consideration. As you make your gift to the campaign please remember:

- Pledges can be fulfilled on a monthly, quarterly, semi-annual, or annual basis.
- Pledges are not legally-binding, but rather an indication of your giving intention.
- Contributions to the campaign are tax-deductible as provided by law.

## A Little Parish History

Our ancestors who shared in the founding of St. Peter's Parish brought with them two driving values: faith and family. Our parish family over the past hundred years has continued to give our faith, love, service and resources throughout our lives to make Saint Peter's our spiritual home.

You can feel the sense of family at our monthly dinners when we are raising money for our Edge & Lifeteen groups to go on Mission Trips... During our religious education programs with the relationships our youth and their teachers are able to build... When we come together as a family to help prepare and serve meals together during our Senior Thanksgiving Dinner and at Peace of Bread.

We build each other up with the guidance and intercession of Saint Peter, creating an atmosphere of faith-filled love, and whoever enters our doors can feel the experience of coming home.

The ***Legacy of Hope*** Campaign for the Diocese of Worcester and St. Peter will provide us with the opportunity to address projects that we have put off over the years. Listed below are some of the most pressing maintenance needs that will be funded by the proceeds of Legacy of Hope.
