

## TuitionCare 2021-2022

January 27, 2022

*Dear Parents of our Saint Anselm Catholic School Children,*

Greetings in this New Year 2022! We have some *splendid news* to share with you! We are happy to announce a ***Tuition Reduction Grant*** in the amount of **\$277.78 per family in K to 8** for the 2021-2022 school year. This amount is being credited to your tuition account for the spring semester and will be reflected in your FACTS March invoice. Families who are paid in full will receive a refund check in March.

This grant is made possible through the ***TuitionCare Program*** sponsored by the Foundation for Catholic Education, which has awarded Saint Anselm Catholic School a **grant of \$45,000** in recognition of the 45 school families and parishioners who contributed to the program this year.

The ***TuitionCare Program*** is a unique project inaugurated by the Foundation for Catholic Education and initially piloted at St. Agnes School in West Chester several years ago. The program is in its first year here at Saint Anselm and is expanding to a number of parish schools around the Archdiocese. Through this program, the Foundation for Catholic Education awards a *Tuition Reduction Grant* (TRG) of \$1,000 to the parish school for each donor that enrolls in the program.

A special word of thanks and appreciation to the 45 school and parish families who have participated in the *TuitionCare Program* this year. Not only have these families successfully diverted some of their PA State tax dollars to Catholic Education rather than sending these tax dollars to our state's coffers but they are making a great difference here at Saint Anselm Catholic School, too!

The *TuitionCare Program* will continue each year and includes a two-year commitment by participating school and parish families. We strongly encourage all of you to enroll in the *TuitionCare Program*. If we can grow the number of participants to match the total number of families whose children are enrolled in K to 8 in our parish school (currently 162), the *Tuition Reduction Grant* this time next year could be \$1,000 per family!

For more information about how to enroll in the *TuitionCare Program*, please contact Mr. Kevin Kelly (610-793-8597 or [kkelly@foundationFCE.org](mailto:kkelly@foundationFCE.org)). In the meantime, all God's blessings for you and your family in this New Year!
