MONSIGNOR MORRISON SCHOOL BUSING

For the last 5 years the children of Monsignor Morrison School have been bused to Holy Angels' Church for their monthly school Mass through the generosity of parishioners. Previously, Masses were celebrated in the school gym.

We recognize that many of our families do not come to church regularly. Faith development is the responsibility of all baptized Catholics. Our parish mission is: Jesus said, "Go make disciples....I am with you always." Our vision: "Strengthened by the Eucharist, we are moved to bring healing to a wounded world." By bringing our students to the Church, they get to experience the beautiful and prayerful atmosphere of celebrating mass in its proper context. Busing the children is costly; however the positive impact on these children's lives and their families outweighs the cost. The cost has increased from \$650 to \$730 to bus all the students to the church per Mass. The school provides, through the board budget, the money to send the students to two Masses. We are looking to raise funds so that students can attend all 10 masses during the school year at the church.

We greatly appreciate all the parishioners and their families who have supported busing for the last five years. We have witnessed the joy on the faces of the children celebrating these masses. We count on your support for this year. The school masses are open for all to attend. This is also a great way to begin building relationships with the children and their families, so that they discover what a wonderful family of parishes we are. Thank you in advance for your generosity.

Veritas Series at King's University College

The Veritas Series for Faith and Culture endeavours to foster learning and dialogue by gathering our community together, as we seek to live lives of faith and justice. The word veritas comes from the Latin word meaning truth. It is taken directly from the College motto: "Christus est Via, Veritas et Vita" (Christ is the Way, the Truth and the Life). The theme of this year's series, RENEWAL, is drawn from the prophecy of Isaiah. In Isaiah 40:31, the prophet declares, "But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint." In the midst of the many challenges facing our nation and our communities of faith, we will be presented with opportunities to consider and evaluate where we find our hope and our direction for the future.

The first talk is titled "The Future of Truth and Reconciliation" and will be presented by Senator Murray Sinclair on Thursday, September 26th at 7 pm. As always, admission and parking are free, and facilities are wheelchair accessible.

For a complete list of the 2019-2020 Veritas series, please visit <https://www.kings.uwo.ca/campus-ministry/veritas-series/>.
