

Paul and Evelyn Brookhyser

Married on June 22, 1968

Workmates decided we should meet, so they brought us together over coffee in the basement of the Yamhill County Courthouse -- Paul, a college student from California -- Evelyn fresh from Wisconsin in her first job. He discovered that Evelyn could make lump-free gravy and she found out that Paul could take her to Disneyland! Love followed, 3 children, 15 foreign exchange students and recently homeless families have come to know their Open Door policy.
