

Regional JPIC Animator/Coordinator Report

For the Fourth Quarter of 2025

Action Taken

- ✚ I met with JPIC representatives from all three portions on the evening of Thursday, November 20, 2025. Many fraternities were represented at this meeting.
- ✚ Brother Tim Unser began and closed the meeting with a prayer, and I briefed the fraternities on some of the resources, which were sent by the National Animator, Joe Makely, OFS.
- ✚ JPIC Rep Lynn Freeman, OFS of St. Padre Pio Fraternity (Georgetown) was unable to join the Zoom meeting, as she was working with the Williamson County Homeless Coalition, planning for the upcoming PIT (Point in Time) Count of the Homeless in January 2026, and requested to be excused ahead of the meeting.
- ✚ Arms of St. Francis Fraternity was unable to send a representative to the Zoom meeting because of a scheduling conflict, but Regional Secretary and Fraternity Minister Gail Peterson, OFS, submitted a Fraternity JPIC report and photo on behalf of her fraternity.
- ✚ I have sent an email to those fraternities not represented at the meeting asking them for a written report so that their ideas may be shared.
- ✚ I pointed out that the *12 Weeks of Franciscan Peace* had begun and encouraged JPIC Reps to use this resource, which was sent in English and Spanish, through Christmas.
- ✚ Also, I reminded the JPIC Reps that the *Immigration Toolkit* had a lot of resources that many fraternities could use and was available on the National Franciscan website for which a link exists on the Los Tres Compañeros Region's website. There is a good resource on how to write effective letters to an editor of a local newspaper.

Seven fraternities did not attend this meeting nor send a report in their absence: Immaculata Fraternity (Fort Worth); Sacred Heart (Austin); Fraternidad de San Damiano (Dallas); San Jose Obero (McAllen); San Jose (San Antonio); San Antonio de Padua Fraternity (Hebronville); and San Bonaventura Fraternity (Fort Worth).

- ✚ She is also extremely excited about the Fraternity's new candidates.
