

With your fatherly blessing, Lord, strengthen these servants of yours in their resolve to dedicate themselves as catechists. Grant that they may be able to teach that they themselves derive from pondering your word and studying the church's teaching. And let them gladly join those they teach in honoring and serving your name. We ask this through Christ our Lord.

Catechetical Sunday

Parents are truly the primary catechists of their children.

They prepare the soil and plant the first seeds of faith. On Catechetical Sunday, we not only highlight the work of catechists in parishes and schools, but we also commend parents and guardians and encourage them to take seriously their role of making their Catholic households a place where faith is passed on to the next generation.

Accompanying those on the Journey of Faith – Pope Francis talks a lot about the importance of accompaniment. In the new *Directory for Catechesis*, he says that one of the most

important tasks of a catechist is to accompany others on the journey of faith. We thank our initiation catechists who accompany those who are the journey toward Baptism and those who are preparing for membership in the Catholic Church. May God continue to pour out the Holy Spirit on our initiation ministry catechists:

Catechetical Sunday, 19 September 2021

Catechetical Sunday is a wonderful opportunity to reflect on the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. This year, the Church will celebrate Catechetical Sunday on September 19, 2021, and the theme is: **“Say the Word and My Soul Shall be Healed.”**

Those who the parish community has designated to serve as catechists will be called forth to be commissioned for their ministry.

2021 National Migration Week Prayer

Loving Father,
We thank you for the gift of children
And for the joy and love that they bring into our lives.
Protect with your fatherly care all children who face hardship.

In particular, we pray for unaccompanied migrant children who are alone,
For migrant children separated from parents who have been placed in detention,
For those who have lost loved ones due to violence,
And for those who are trapped in situations of exploitation.

Open all of our hearts to immigrant and refugee children in need.
Show us how we can protect and comfort them.
Give us the wisdom to know how we can help.
Give us courage to defend them against those who would harm them.

We ask this through our Lord Jesus Christ, your Son,
Who lives and reigns with you and the Holy Spirit,
One God forever and ever. Amen

Continuing the Process of Opening Up The Church

With the re-instatement of the obligation to attend Mass on Sundays and Holy Days of Obligation starting June 11th, we expect to see greater attendance at Mass going forward. We want to be ready to accommodate that, so we are continuing the process of opening up the church to more people. When you arrive at Mass, you will notice that the ropes have been removed from the two front center sections of the church. These sections will allow for closer seating for those who are comfortable with less social distancing than what we have become used to. For now, the rest of the church will be left "as is." We are attempting to meet the happy medium of increasing our capacity, while still allowing those who feel a need to keep their safety precautions in place to feel comfortable enough to come to church. The sections of church which still have every other pew roped off, while not reserved exclusively for the more cautious, are meant to accommodate them. Let's let charity guide us!

Until we are informed otherwise by the archdiocese, we will continue to follow the policy that, while in church, wearing masks is strongly recommended. Fr. Martin

CREATION CARE

September 1st begins the World Day of Prayer for the Creation and lasts until October 4th (Feast of St. Francis). According to Pope Francis, "The Annual Day of Prayer for the Care of Creation offers to individual believers and to the community precious opportunity to renew our personal participation of this vocation as custodians of creation, raising to God our thanks for the marvelous works that He has entrusted to our care, invoking his help for the protection of creation and his mercy for the sins committed against the world in which we live."

Catholic Climate Covenant encourages us to pray daily, especially during this time of our creation.

A Prayer for our Earth

All powerful God, you are present in the whole universe and in the smallest of your creatures.
You embrace with tenderness all that exists.
Pour out upon us the power of your love, that we may protect life and beauty.
Fill us with peace, that we may live as brothers and sisters, harming no one.
O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes.
Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction.
Touch the hearts of those who look only for gain at the expense of the poor and the earth.
Teach us to discover the worth of each thing, to be filled with awe and contemplation, to recognize that we are profoundly united with every creature as we journey towards your infinite light.
We thank you for being with us each day.
Encourage us, we pray, in our struggle for justice, love, and peace.

Even if we don't see immediate impact from our stewardship efforts, we must continue them and keep in mind that they will ultimately benefit society "for they call forth goodness which albeit unseen, inevitably tends to spread." (Laudato Si, 212)

SUGGESTIONS . . .

1. This is a good time to take steps to ensure that your home is properly insulated. This will help you to use less energy to stay warm in the winter and cooler in the summer which will reduce heating and cooling costs.
2. Use matches instead of disposable lighters to light the grill or fireplace or for other uses. Estimates are that 1.5 billion lighters end up in landfills each year, and they are made of plastic and contain butane, neither of which is environmentally friendly. Paper matches are preferred because they are made from recycled paper.

National Migration Week 2021 – "Towards an Ever Wider 'We'"

For nearly a half century, the Catholic Church in the United States has celebrated National Migration Week, which is an opportunity for the Church to reflect on the circumstances confronting migrants, including immigrants, refugees, children, and victims and survivors of human trafficking.

National Migration Week for 2021 takes place September 20-26, and will climax with the Vatican's celebration of the World Day of Migrants and Refugees (WDMR), which always falls on the last Sunday of September.

The primary theme for this year's WDMR is "Towards an ever wider 'we'". In his letter announcing this year's theme, Pope Francis emphasizes that "this focus calls on us to ensure that 'after all this, we will think no longer in terms of 'them' and 'those,' but only 'us' (Fratelli tutti, no. 35). And this universal us must become a reality first of all within the Church which is called to cultivate communion in diversity."
