PARENT'S AGREEMENT:

It is my responsibility and promise that my teen will attend and complete all Confirmation preparation educational, formational, and administrative requirements. I understand that missing educational or formational events will greatly detract from my teen's preparation for Confirmation. I understand and agree to the following Attendance Policy: If a student is absent from 3 events during the year, a meeting will be held between the Confirmation Coordinator and parent to determine the student's readiness for Confirmation. Courses of action vary from assigning make-up work to recommending a meeting with the pastor to determine if the student should be confirmed the following year.

I understand that my teen is required to attend the Confirmation retreat held at St. Joseph Parish. I also understand that if they miss a retreat, they are required to make it up by attending another Confirmation retreat with another parish in the area. I understand that it will be my responsibility to contact the Coordinator at another parish if a make-up retreat is needed. In addition, I will assist my teen in fulfilling all other Confirmation requirements (Service Outreach, Letter to the Bishop, and other assignments).
