FAITH FORMATION

By Sharon Mayer

We are "officially" in the summer season. Hopefully our dads enjoyed the longest day of the year last Sunday. Last Saturday most of our Bible school youth attended Mass, sang a song and witnessed a blessing given to their dads. It was an appropriate time to do so given we had just completed Bible school about St. Joseph, husband of Mary. Families who wished to stay were treated to taverns in the Parish Center with sides, drink and dessert. It was a lot of fun. Thank you to my additional helper's Faith Garcia, Natalie and Kolton Kollasch, and Bonnie Simonson for decorating Joseph's altar and keeping it up a little longer than usual.

In July we will focus on what works and what won't for the joining of our two Catholic churches in Dickinson County. Change is hard but necessary. I will very shortly send out a survey to get parent's opinions on Religious Education. Are changes needed or do we stay the course for now? If you have children in the program, please take a few minutes to do our survey as that helps us know if we are serving your needs adequately. The religious ed board members along with Fr. Hughes and myself will evaluate them and go from there.

Regarding the religious ed board, we are seeking new members from our pool of parents with children in the program. If you would like to serve in this advisory capacity, please contact Fr. Hughes or Sharon. As with other boards, you should be a registered member of this parish and attend church regularly.

The end of the month will be very busy with Pioneer Days and of course our church centennial. Details of that are in our newsletter and watch for the Pioneer Days poster for all of those events.

Plans will be underway after that to plan for the religious education year. We anticipate beginning at the normal time of Sept. 8th and do not plan on any "shut-downs". Meetings will be scheduled between Fr. Hughes and parents of 2nd or 10th grade Sacrament students, and I will let you know those dates as soon as I have them. As always if you have a thought you would like to share, my door is always open and my email or phone is available.

CHECK YOUR CLOSETS....Mary Lou is in need of more plastic hangers for the clothing room. Please drop off at your convenience. Thanks in advance.

Re-Keying Project

For the past month we have been working on a project to re-key our buildings here at St. Joseph. At present one needs 47 different keys to open all of the doors on our property. This plethora of keys is a hassle and provides a considerable security risk. Over the years a number of keys have been passed out and no record of who has keys to our many doors has not been maintained. Recently we have had several problems with "guests" wandering into parts of the building where they do not belong and a continuing issue with doors that are opened and not relocked. This week our re-keying project will be complete. If you have had a key to our exterior or interior doors in the past and would like to apply for a new key please contact Susan in the parish office for a key request form. We hope that this project will provide greater safety for all of our parish members and protect our buildings from unwanted intruders.

Centennial Luncheon

On the weekend of July 24-25 we will be celebrating the 100th Anniversary of the dedication of our church building. Bishop Nickless will be here for a parish Mass which will be followed by a luncheon. If you would like to attend this lunch, we ask that you acquire a ticket so that we will have accurate count for the meal service. We are estimating that we could have as many as 350 parishioners in attendance so please call and make a reservation. The luncheon is free of charge but you will need a ticket to get a seat. Reservations can be made by calling the parish office. (712-338-2274)

Hospital Visitation

When you or a loved one needs to be hospitalized, we would like to come and visit. Federal HIPAA laws however forbid the Hospital from releasing patient information to us. If you would like us to come and visit please take a moment to call us for yourself or a loved one so that we can plan on a visit. Without your "heads up" we have no way of knowing who is in the hospital.

A FEW weeks ago we asked persons to indicate their preference in volunteering for ministry duties. Several told us they wanted to become an Extraordinary Minister of the Eucharist (EME). It is mandatory that those people and any others who want to serve in this capacity attend a one hour meeting Tues., June 29, 6:15 p.m. in the church.

SEEKING a volunteer to do the altar laundry on a quarterly basis. Call the office for details and info.

DON'T FORGET to stop in the parish office for your free tickets to the Centennial Dinner Sunday, July 25 at 12 noon.

Centennial Souvenirs Available!

With our Centennial Celebration just weeks away, a second shipment of souvenirs has been ordered. Items may be viewed and purchased in the parish office. There are limited quantities available.
