News From St. Joseph Parish

Faith Formation

By Sharon Mayer

Last Wednesday I went through the rest of my parts for the first time with our K-5 kids for the Christmas play. All went well. That is scary! This coming Wednesday we put everyone together for the first full run through. Hard to believe it won't be very long until we have the play. The year has flown. Right before the play our parish will host an open house for people to get together and have some goodies and chat. After the play there will be pizza for the families and guests in the parish center. The following Wednesday will be the various class Christmas activities and our last class before the holiday. We will not meet again until Jan. 11 weather permitting.

Also last week, after I sent an email out to the families, I visited some of the classes about the problem of bullying, put downs, teasing that is ongoing, and the use of not so kind words towards others. It is our policy to have zero tolerance in this regard before, during and after classes or anywhere on this property. It is important that children not be rude to each other or the adults. It is simply unacceptable. Children who are being treated this way are at a loss for what to do or say. So, it is a two-fold problem. Adults can do our part by always exhibiting proper behavior and word usage. We are no ones' judge, and we all are created by God. I shared an old adage that rings true always, "If you have nothing nice to say, it is best to say nothing at all". Most of them know this and agree with it. It is unfortunate that this age-old problem of words being hurtful seems to be getting worse. It was a good discussion and I encouraged them to let us know if a problem exists so we can work toward solving it.

In 1962 Morality in Media was established in New York City to combat pornography. In 2015, the name Morality in Media was changed to National Center on Sexual Exploitation. Pastor's COLUMN

All Saints Day

Tuesday is the Feast of All Saints. This ancient Feast is a remembrance of how God's holiness has been manifested in the Saints of the Church for over 2000 years. Saints have come from every walk of life and from every continent. They have glorified God with their lives well lived. We invite all the members of our community to join us for this celebration of God's holiness in our midst. Tuesday is a Holy Day of Obligation so we will have two Masses in each parish. On Monday evening, Mass at St. Mary's will be at 5:30 p.m. On Tuesday Mass will be celebrated at St. Joseph at 7:30 a.m. and 5:30 p.m. At St. Mary's the Tuesday Mass will be celebrated at 12:00 Noon. There will be no evening Mass at St. Mary's on Tuesday of this week.

All Souls Novena

Beginning this week with the Feast of All Souls on November 2nd we will celebrate nine Masses in each parish for the repose of the souls of all of our beloved dead. The book of Maccabees exhorts us to pray for the dead in the hope that God's mercy will cleanse the dead from their sins. Please join us for these special Masses of remembrance throughout the month of November.

Daylight Savings Time

Please remember to turn your clocks back one hour on Saturday evening.

Missionary Support

Thanks to all who supported our Mission Appeal for the Benediction Sisters of St. Agnes from Tanzania. Their growing numbers will serve the church in Africa in countless ways. Thanks for your generosity.

Hospital Visits

In recent years federal law regarding information privacy has changed considerably. This has affected the information that hospitals can release to non-family members. We have no way of monitoring the parish members who are in the hospital. We ask that family members please notify us if a family member has entered the hospital so that we can plan a visit.
