Above the fish is a woven basket filled with golden-brown loaves of bread. The entire scene is set against a backdrop of various colored glass panes in shades of red, orange, blue, and green.

## Gatherings & Well-Wishes

There have been many opportunities for us to visit family and friends this year, and I hope that if you have been able to travel to see loved ones that they have been good and joyful visits. We are also thankful for the continued opportunities to get to know each other in our parish better, especially with our **Backyard Gatherings**, which begin this week. If you have not yet signed up to attend one of the four gatherings I highly encourage you to do so; they are the best way we have to listen to your thoughts and opinions. These opportunities are very important to me and to the Pastoral Council, who have been working hard to meet your needs as we continue to become one parish.

We are also thankful for Nino Castellano, who has done so much for Saint Jude Parish over the past year. As he embarks on his new journey at Saint Paul Seminary, we will be “sending him forth” before he begins his studies at two special upcoming Masses: at the **Saturday, August 7, 6:00 PM Mass at Sacred Heart** and the **9:00 AM Mass at Saint Raphael on Sunday, August 8**. I invite you to attend one of these Masses to wish Nino well on his next adventure!

*Father Joe*

## Making Our Statement

*This week's reflection on our parish's Mission Statement is by Lauren Rudy, a Morningside resident and Saint Jude Parishioner. Her reflection focuses on the importance of sharing our faith with people of all ages.*

### The Saint Jude Parish Draft Mission Statement

**We are an urban parish of Pittsburgh's East End dedicated to serving one another both within and outside our parish, but especially to the poor and marginalized of our community. Empowered by Christ to spread the good news of salvation, we are committed to forming intentional disciples of every age and accompanying them in their faith journey, with the goal of fostering an encounter with and deepening our relationship to Jesus Christ. We do this joyfully rooted in the Eucharist and our Catholic faith, employing our diversity and talents to support one another and build the Kingdom of God in love, mercy, and justice.**

**“...we are committed to forming intentional disciples of every age and accompanying them in their faith journey.. ”**

**Reflection by Lauren Rudy**

“Companions on the Journey” was my favorite church song growing up and still is today. I sang this song with extra enthusiasm, feeling joy and connectedness with those around me. Aside from its catchy beat, the lyrics really spoke to me. “We are companions on the journey, breaking bread and sharing life; and in the love we bear is the hope we share for we believe in the love of our God.” As a grade school student, the lyrics helped affirm for me that I was a part of a special and loving group. I felt cared for by the church and school community and looked to them for support and guidance as I grew. My hope for my daughter is she feels that same support from the St. Jude community. Reflecting on this beautiful song now, I see that the hymn is affirming us to support one another in our call to holiness.

As a parish we are one body sharing the Eucharist together. Parishioners of all ages and walks of life are joining us to deepen their relationship with Christ. Like so many others at St. Jude Parish, I now wear many hats in my day-to-day life - wife, mom, teacher, daughter, friend, etc. Life continues to change as we age, challenges come our way, and we are asked to adjust and respond with grace. **This is seldom easy, but looking to others for support can be a big help. We as St. Jude Parish are called to walk with one another so we can be more faithful disciples.** The parish continues to offer various faith formation ministries to meet parishioners where they are in their spiritual journey. Establishing meaningful relationships with our fellow parishioners is an important piece of this support, as well. We are truly stronger when we are together.

My favorite church song goes on to say, “No longer strangers to each other, no longer strangers in God's house; we are fed and we are nourished by the strength of those who care.” We pray that no matter where we are in our faith journey, our parish community nurtures and strengthens us with its care.

## Parish Mission Renewal Week!

Please join us for our Fall Parish Mission Renewal week  
October 25-27th, 2021!

What is a Parish Mission Renewal? It is a week set aside for the opportunity to learn more about what our faith teaches us, listen to inspiring presentations, and draw nearer to God through celebration of the Sacraments.

Fr. Joe Freedy (pictured), Assistant Director of Evangelization for the Diocese of Pittsburgh, will preach at both our churches and invigorate our spirits with a wonderful message of hope. A Pittsburgh native and the youngest of five children, Fr. Freedy is also a founding member of Dry Bones Ministries (<https://www.drybonespgh.org/>). He will be preaching at all the Masses at Saint Raphael on **October 16-17** and at Sacred Heart **October 23-24**.

### Schedule of Events

#### **Monday, October 25**

**Sung Vespers.** The theme of the Vespers will be Faith. What is Faith? We recite the Creed, read the Scriptures, and memorize the Commandments, but what do we really believe? Fr. Joe will preach on Faith: what it means, and how we can live it each day. **Confessions** will also be held before and after the evening's event.

#### **Tuesday, October 26**

**Confession, Eucharistic Adoration & Benediction with Fr. Levi Hartle.** Fr. Hartle, the Diocesan Praise & Worship Consultant, will lead Praise and Worship on this evening. If you have never attended one of these forms of Praise, you are in for a real blessing. Hundreds attend them regularly, and we are blessed to have him share his gifts with us!

#### **Wednesday, October 27**

#### **Closing of the Mission Renewal; Vigil of Saint Jude Celebratory Reception**

Please invite your neighbors, friends, and family to come along to experience this opportunity for renewal in our faith, and remember to save the date!

We can provide tables and chairs for your display, but you will need to provide partitions and other equipment.

Please send an email to [infosh@saintjudepgh.org](mailto:infosh@saintjudepgh.org) with your information!

## Obligation to Attend Mass Reinstated

Bishop David A. Zubik is overjoyed to join all the Catholic bishops of Pennsylvania in reinstating the obligation to attend Mass on Sundays and Holy Days, starting August 15, the Solemnity of the Assumption of the Blessed Virgin Mary.

Since public health restrictions have relaxed, “More and more people are returning to our churches to celebrate the sacraments and for other events that reflect who we are as the Body of Christ,” Bishop Zubik said. “I thank God for their faith and for this opportunity to worship Him together, and to receive His healing grace in the Eucharist.”

As always, people who are ill, who suspect that they may have been exposed to a contagious disease, have caregiver obligations or have serious anxiety about being in a large group at this time are not required to attend Mass. People who are ill or who may carry a contagious illness are strongly encouraged to stay home.

“Those who are legitimately excused from Mass on Sundays and Holy Days are encouraged to spend time in prayer, meditating on the Death and Resurrection of the Lord, reading the Sacred Scriptures, and uniting themselves to Christ in his worship of the Father of us all. Those who are legitimately excused are also encouraged to view a broadcast of the Mass which is intended for those who cannot participate in person.”

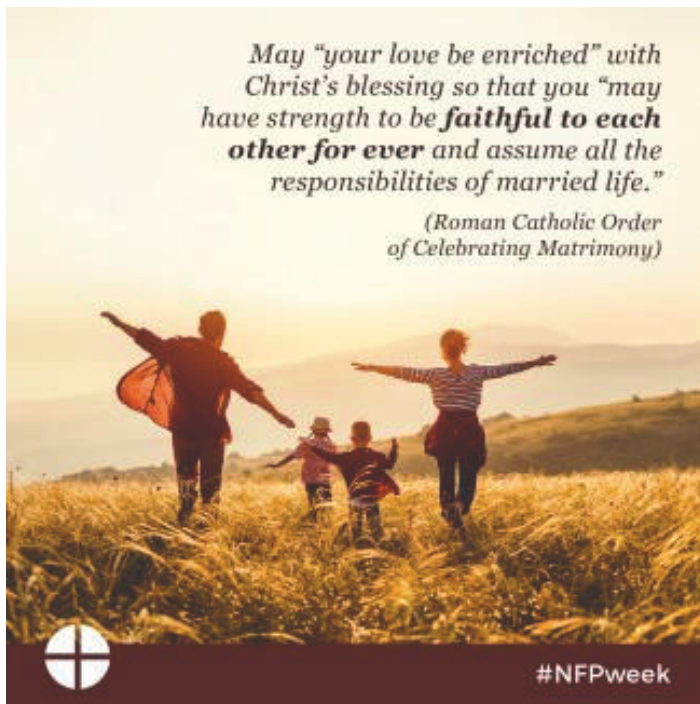

To read the entirety of Bishop Zubik’s statement, please visit <https://diopitt.org/news/obligation-to-attend-mass-reinstated>.

## Natural Family Planning Week!

Natural Family Planning (NFP) is the general title for the scientific, natural, and moral methods of family planning that can help married couples either achieve or postpone pregnancy. NFP methods are based on the observation of the naturally occurring signs and symptoms of the fertile and infertile phases of a woman's menstrual cycle. No drugs, devices, or surgical procedures are used to avoid pregnancy.

Since the methods of NFP respect the love-giving (unitive) and life-giving (procreative) nature of the conjugal act, they support God's design for married love! NFP represents a holistic approach to family planning. Both husband and wife are instructed to understand their combined fertility and to identify their family planning intention (whether to attempt to have a baby or not). The successful use of NFP to postpone or avoid pregnancy relies upon a couple following what they know about the method and matching their intimate behavior to their family planning intentions (whether they are attempting to achieve or postpone a pregnancy).
